Measure, Appointment or Topic: SB611

Hello Elected Officials, I am Jacquenette Josefa Pla McIntire and I grew up poor in a family of 7 children. We struggled to make it, My Mother was a housekeeper cleaning homes when our dad abandoned us. She applied for food stamps and was denied because she made less than one dollar too much. Like many other in Oregon I believe that Food is a humane right! Please pass this bill to help feed all people in Oregon who suffer from malnutrition and struggle financially. Feed the people of Oregon - make this equitable for all, so we have strong and healthy residents who don't go to bed hungry, who don't choose between food and medicine. We appreciate your work for a stronger and smarter Oregon! Thank you! Jacquenette Josefa Pla McIntire Gresham OR
