

Submitter: Domino Berns
On Behalf Of:
Committee: Senate Committee On Human Services
Measure, Appointment or Topic: SB611

When our communities are well nourished, we are all better off. Health outcomes improve and health care costs decrease, kids do better in school, families are more likely to stay in their homes and avoid eviction, and our economy thrives. For every dollar spent with SNAP, \$1.50 goes back into Oregon's economy.
