We know that when we all have access to food, we're all better off. Kids do better in school, our families' health and well-being improves, and our economy thrives through the support of local businesses. This is true in every corner of Oregon—in rural, urban, and suburban communities alike. When all of our neighbors are getting the food that they need, all of Oregon thrives. I have been hungry and it's no fun, it makes people desperate. Bad for the hungry and bad for the rest of us.
