

Submitter: Joanne Shipley

On Behalf Of:

Committee: Senate Committee On Human Services

Measure, Appointment or Topic: SB611

This will be brief. I firmly believe that all Oregonians have the right to have enough food to avoid food insecurity. I firmly believe that it is important for everyone to have culturally relevant food. I have lived in Oregon most of my 80+ years, and encourage all Oregonians to be supportive of each other all across the state, regardless of any sort of minority or disenfranchised status. Everyone deserves to be able to eat. Everyone.
