

Submitter: Jennifer Davis

On Behalf Of:

Committee: Senate Committee On Human Services

Measure, Appointment or Topic: SB611

When my son was born, we had very little money although my partner and I both worked. We needed help through WIC, the food bank and other resources to survive. I know what it is to struggle to pay bills and to have enough to eat. Oregon has a horrifyingly high hunger rate- 1 in 6 don't get enough to eat. This is shameful and completely unnecessary. Making others suffer in hunger when we have plenty to share is cruel and barbaric.
