I am writing to express support for SJR 1.

It has been exceedingly more expensive to live in Oregon. As seniors my husband and I live on Social Security, Disability, and what retirement savings we have. We can no longer add to our income as inflation and taxes take more and more.

This bill will help us stay in our home which we have lived in for Over 40 yrs. My husband is disabled and the thought of not being able to stay in our home is unthinkable.

Please pass SJR 1 to allow us to continue to live in Oregon where all our family is.

Respectfully submitted,

Anna Munson
