

Submitter:	Laurie Stanley
On Behalf Of:	ONDA
Committee:	House Committee On Climate, Energy, and Environment
Measure, Appointment or Topic:	HB3932

Please support HB 3932.

Help beavers thrive! They create good water quality. This is a gift to all humans and wildlife.

Also, in the face of climate change, HB 3932 is a direct way Oregon can move toward more climate resilience and have more fire resistance due to more naturally wet land that beaver easily create.
