

Submitter: Andrea Pacheco

On Behalf Of:

Committee: House Committee On Education

Measure, Appointment or Topic: HB3004

As a community mediation and training center that serves the mid-Columbia region of the Gorge, we are often requested to provide conflict resolution and de-escalation skills training to schools. We work with school budgets to ensure these services are accessible to all, seeking community funding to help. But our reach is limited.

Additional pathways to help make these services attainable for all schools is a good idea. I support this bill.
