

Submitter: Barbara Chatfield

On Behalf Of:

Committee: Senate Committee On Education

Measure, Appointment or Topic: SB749

Oregon wants to raise the age to 21 before citizens can buy a gun. No drinking alcohol or smoking under 18. Why these limitations? Because the legislature thinks citizens do not know what is best for them. I oppose a bill giving large amounts of money to an age group that the legislature already says they can not make good decisions. I urge you to oppose this bill.

Thank you.
