Committee: Senate Committee On Human Services

Measure, Appointment or Topic: SB611

My name is Francia Lockerby, and I am a volunteer advocate of Oregon Food Bank (OFB) of Washington County. I am asking Oregon government to allow the MB 611 that ensures Food for All Oregonians is met. Especially, when considering people like me who suffer from a mental Health disability. However, the best and least expensive way is to ensure all of us have access to food, so we maintain stability, or the mentally ill person ends up in jail, prison, or a psychiatric ward/rehabilitation which taxpayers are left to pick up the bill.
