SB611

Please support food for all people in Oregon. This bill would help struggling immigrants, refugees, and families across our state. These are our neighbors, our family, our friends, our students, the children our kids play with, our coworkers and their loved ones– the people who help make Oregon a beautiful place to live. We have farmworkers who are planting, growing, and harvesting the very foods that nourish all of us, and yet they cannot access these foods themselves or their families. When Youth and Elders can access nourishing food, our communities thrive. Kids succeed in school, families stay healthy, and local economies grow when all Oregonians can afford food. This is true in every corner of Oregon – in rural, urban, and suburban communities alike.
