HB3595

Dear Committee,

I am opposed to HB 3595. As a working taxpayer and employer in the State of Oregon and someone who is paying for State Workers, I have major issue with State Workers getting more Paid Days Off than me and what I can afford to pay my employees for. There is no reasonable reason to take off Lunar New Year as a Paid Day Off. As it is my business is dealing with an issue with one State Department and it is taking far too long, in part, due to being understaffed. Now you are discussing taking one more working day off the calendar and one less day that we, the citizens of the State of Oregon are receiving service from the very people that we are paying to NOT work. I am asking that you please end this ridiculous bill and spend more time serving the citizens as whole instead of yourselves and your staff. Thank you.
