SB611

Dear Senators,

I STRONGLY OPPOSE SB 611, giving food stamps to non-US citizens. While I appreciate the plight of immigrants, Oregon is facing budget shortfalls on MANY levels and with Federal funding in flux, this is a perposterous program. Let private organizations provide this support, but NOT on the backs of tax payers!!! This bill will attract so many immigrants to Oregon, we will not have the resources to not only provide them with food stamps, but housing once they arrive. This bill will accerbate the homeless crisis we still cannot get a handle on.

NO ON SB 611!!!
