On Behalf Of:

Committee: Senate Committee On Energy and Environment

Measure, Appointment or Topic: SB301

Hi, my name is Brandon Sauer and I strongly support this measure. I grew up enjoying the river with my family and friends and feel that this most recent legislature banning most recreational boats from this water way is unjust. It's sad that I'm not able to show my kids the fun that can be had on the river. Please consider making a change.
