

Submitter: Norm Hendricks

On Behalf Of:

Committee: Senate Committee On Human Services

Measure, Appointment or Topic: SB611

I am opposed to SB611

We have insufficient revenue to pay for all the needs of our legal residents. There is no reason to encourage non- citizens to collect food from tax payers in this state.

This will atttact non citizens including those that come to this country illegally to come to Oregon for taxpayers money that should be spent on homeless and financially weak citizen residents here. It will contribute to them trying to get housing supplements and other expenses. Oregon is already under financial pressure for the current service to our citizens.

DO NOT PASS THIS BILL!!!!!!!
