

Submitter:

J. Michael Schultz

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SJR28

I wish to voice my support for SJR28 to enshrine in our state constitution the right for a healthy environment. What could be a more foundational right than ensuring every Oregonian is protected from the impacts of climate change and adverse environmental impacts. Thank you for the committee's consideration to support this legislative bill!
