Testimony from Sunbow community participants :

De La Cruz Pina Alejandra :

"What i enjoyed about the sunbow program was how we had access to free fresh nutritious health for our family,"

Abrego Lazaro Diana

"It benefited me and brought me happiness because I don't drive and this program delivered these fresh products to me. The lady that delivered is a very lovely and kind lady that helped my family. This is such a great program and I hope this program continues to support our community"

Valencia Rosalio

"You are all very kind people and the program helped us a lot with great quality fresh veg and fruits, i really like it and thank you for it. I can't go out because of my disability and this helps a lot during the times I am in need of food."

Pablo Ramos Victoria:

"I really liked the organic foods, my family signed up a couple of times, we used all of the vegetables , I would want to use this program again".
