Committee:	House Committee On Rules
Measure, Appointment or Topic:	HB3595

As a former City employee, I strongly oppose this lunar new year holiday bill This holiday is not necessary and is a complete waste of time and money. Teachers need to concentrate on improving our children's failing education instead of asking for another paid day off. There are enough paid holidays. It costs the tax payers and doesn't benefit Oregonians other than those who work for the State and maybe Federal government employees, some of which work from home anymore.
