I strongly support this Senior Tax Relief amendment. Could we senior homeowners please get a break! Both my husband and I are retired seniors. Prices on EVERYTHING has risen so much in this state. Food, gas, prescriptions, fire and home insurance, school bonds, county property taxes, CAT taxes, electricity, water, repair costs, tv channels, tax preparer costs and many more. It's gotten to the point where we feel that we are being squeezed out of our home that we worked so hard for and find it harder to contribute to the food banks and other charities.
