DAVID GRAY

On Behalf Of:

Committee:

Senate Committee On Human Services

Measure, Appointment or Topic:

SB611

This bill of passed would put a burden on the citizens of the state, and the state budget. Why should the taxpayer pay for criminals to get food? Those who are in our nation illegally are not deserving of free food; even if they are in prison they should work for their food. I have to buy my food with post tax money. This state has too many special programs that only benefit certain groups, and don't benefit all citizens of Oregon.
