We can already waterski and tube on the Newberg Pool  
Current law only restricts wake surfing and major wake required sports.

We go to the multnomah channel with friends to surf: HUGE wakes from surf boats,  
but I won't take my water ski boat there; unsafe!

Suggest a compromise: Allow big wake boats from 10th street ramp to the falls. No  
homes, away from every one else. But don't ruin the majority of the newberg pool  
with massive wakes that my friends have on their surf boats.

Thanks
