Dear Committee Members,

I oppose this bill. Our taxes should not support illegal aliens in any way, unless it's sending them home. They broke the law to get here. If we give them all the handouts, they will keep coming. It's like feeding the bears. They come to expect it. If people want to donate to charity for this cause, that is people's choice. It should not be the demand put on us by our own representatives. Oregonians cannot afford this. We have a hard enough time feeding our own families with some of the highest taxes in the nation.

Please vote NO.

thank You,
