On Behalf Of: This will layoff union memebbers in state employ  
Committee: Senate Committee On Human Services  
Measure, Appointment or Topic: SB611

This increases cost to the state and will cause the state to spend billions of dollars .  
And entice illegal aliens to flock to our free food state.  
With those that come here will be the criminal element . So we will have more  
violence with criminals with guns , knives , sex trafficking, increase in drug use.

Causing the state to :  
cut the budgets of the various departments and laying off union members .  
Sell state property to offset the costs.

Or get a High risk loan to pay for this .
