

Submitter: Georgia Wier

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB2403

Committee Members:

HB 2403 should not advance. Oregonians want non-lethal methods of controlling wildlife to always be used first. We do not want our money to go towards inhumane and unnecessary methods of killing the iconic wild animals of Oregon.

Sincerely yours,
Georgia Wier
