SB697

I completely oppose SB697. This is an unconstitutional bill which doesn't surprise me, at all since that is almost all what these bills are. This bill puts limits on responsible firearm owners and would put a stop on lawful gun owners under the age of 21 who go hunting, participate in competitions, and possess firearms for their own personal protection. There is no logic what so ever in this bill by REP Knopf and is also discrimination based on age. Oregon sends 18 year olds off to war but can't trust them with a gun here. Tell me how this makes sense. You don't have a right to pick and choose on what to give or take here.

I'm tired of all these idiotic bills you are trying to pass most of which are totally unconstitutional. You are elected by the people to represent us and need to stop wasting our money and listen to what the people want, not what you think you want. Oh yeah good idea maybe you wouldn't be begging us taxpayers for more money for useless things. This legislation should be focusing on reducing taxes for all of the people not raising them to what ever suits you. No on SB697.
