Deport them. They are here illegally.We are tired of paying for your votes.If you want to pay for them open your wallets but not ours.My dad used to say money doesnt grow on trees.We dont need more debt ,inflation, deficit spending,making our money worth less, whatever you want to call it.I call ot extortion and conterfiting.Stop. I do not support this.We need an overhaul here.Stop the Welfare state.We want oir money back.
