

Submitter:	Lind Nelsen
On Behalf Of:	Nelsen Family Farm
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1153

I am adamantly opposed b to any legislation that affects the rights of Oregon water write holders. Agriculture is dependant on water and our legal water rights are essential to our ability to farm and raise crops and livestock. Please do not allow a bill that adds more regulation, threatens our water rights, and places more pressure on an already overburdened agency.
