SB611

My name is Gabriela and I am writing in strong support of SB611, Food for all Oregonians. As a child, I immigrated with my family to the US, living first in Georgia. My family relied on supplemental food assistance, through their church and other groups. During this time of continued economic instability and inflation hitting grocery budgets hardest, we should prioritize increasing access to healthy fresh food especially for youth and elders. I urge you to support SB611 to truly make Oregon a welcoming place for all.
