Mary Blankevoort

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SJR28

I am writing in strong support of SJR 28. In light of the shocking degradation of long-held EPA regulations by the current Administration, combined with the Supreme Court's refusal to hear the Juliana case (youth-led climate rights appeal) it is more urgent than ever to ensure a clean environment for our state, country, and world. Let's help Oregon lead the way again.
