

Submitter: Robert Rodriguez

On Behalf Of:

Committee: Senate Committee On Energy and Environment

Measure, Appointment or Topic: SB301

I have lived on the banks of the upper Willamette River since 2004. We use our property and river access to share with youth organizations in Tualatin, Wilsonville and Tigard. The limitations and hostility on the river have prevented us from taking young kids out to enjoy river that is supposed to be respected and shared by all
