

Submitter: Cheryl Smith

On Behalf Of:

Committee: Senate Committee On Human Services

Measure, Appointment or Topic: SB611

I oppose this SB611 in that it doesn't require enough requirement for a person to be actively seeking citizenship. I think this stop gap might be ok, but we already see too many people draining tax dollars for years without any changes for the client moving away from subsidies. Please don't pass this bill without revisions.
