

Submitter: Linda Casto  
On Behalf Of: All sufferers with Ehlers-Danlos and Hypermobility  
Committee: Senate Committee On Rules  
Measure, Appointment or Topic: HCR4

Please declare May 2025 as Ehlers-Danlos Syndromes and Hypermobility Spectrum Disorders Awareness Month to bring greater awareness to these syndromes that affect the lives of so many. It is a largely unseen syndrome to the eye that severely affects many people's daily lives and requires more money for research and necessary interventions.
