

Submitter:	Walter Lierman
On Behalf Of:	
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1153

I asking you to vote against SB1153. It is becoming more and more difficult to do business in Oregon. Water is a critical resource in agriculture and this bill would take another tool away that we utilize. Water Rights have become very restricted and most, if not all, high value crops require water. The number of bills that have been introduced this session that negatively impact agriculture has been astounding!
