Committee: Senate Committee On Human Services

Measure, Appointment or Topic: SB611

I strongly support SB611. Because as an refugee descendant. I have experience hunger and I know how it feels like going to bed. Life is not is, working hard, paying taxes yet not having food for your own, it drains my energy and affects my work performance. SNAP benefit is not an expense, it is an investment in our state economy. Because every dollars spend on SNAP goes to our local businesses that pay taxes. I urge you to pass SB611.
