Committee: Senate Committee On Health Care

Measure, Appointment or Topic: SB293

March 25, 2025

Dear Senate Committee on Health Care:

I write to urge you to vote yes on SB 293-1: "Relating to health care for adults in custody." As this bill would only ask that healthcare in the DOC be studied, there is no question as to whether or not you should approve it.

It is the responsibility of the citizenry to care for people who cannot care for themselves, including those who are incarcerated. It is barbarous not to do so.

Regards,

Heidi Hinshaw
