Committee: House Committee On Emergency Management, General  
Government, and Veterans

Measure, Appointment or Topic: HB3460

I support Rep. Court Boice in this bill. Hyperbaric Oxygen Therapy and any holistic forms of treatment for our Veterans is crucial for their well-being. We all need to support this bill and support our Veterans for any and all treatments that better their lives and medical conditions. Thank you for your consideration!

Best Regards,

Patrick Hollinger
