

Submitter:	Dana McLean
On Behalf Of:	Self
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1153

If we as private property owners have certain water rights that came with the property when purchased we who hold those rights with the deed of our property should have the ability to transfer those rights to a family member who inherits the property or to the next new owner as part of the purchase of said property. There is absolutely no reason these rights should be taken away from us especially in Oregon where water due to rain and snow pack is abundant
