I oppose any bill that seeks to meter/monitor water usage from wells, creeks, irrigation pivots, ponds, etc on private property! The state didn't pay for these wells, WE did. They don't pay for their upkeep, we do. I OWN my well. So seeking to meter it & charge me to use it is a violation of my rights. It's downright theft. Anyone who supports this bill is either Greedy or ignorant. This is ridiculous! I oppose this bill in its entirety!
