Measure, Appointment or Topic: HB3870

I am very much in support of HB 3870 in support of both Sheridan and McMinnville fire districts. This is urgent and necessary to save the Sheridan the fire district and build a new firehouse in McMinnville. McMinnville is growing in size and desperately needs to continue providing emergency services to all residents. Please I urge the passage of this measure to expand the coverage area in McMinnville and lower the response times for the safety of residents and our communities.
