

Submitter: Adam Wink

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure, Appointment or Topic: SB54

I oppose SB54. It burdens property owner with costly mandates on their property/properties. This would likely cause an increase in rent, which would add the existing shortage of affordable housing for Oregonians. Unnecessary costs to add a luxury item such as ac, cuts into budgets to provide essentials to properties and upkeep. This is an overreach request full of negative unintended consequences.
