We, the taxpayers of Oregon, CANNOT AFFORD to spend more money to pay for food stamps for people here in the country illegally. We are attracting illegals to this state that cannot afford to support themselves, and you, the congresspeople, are expecting the TAXPAYERS to support poor people that are NOT EVEN CITIZENS when we can barely support ourselves. Inflation has caused food prices to go up, many of us are lifelong Oregonians that are on fixed incomes and can barely afford food, much less our electricity and property taxes. Please think of your CONSTITUENTS. This is getting out of control. The only thing you seem to be doing these days is taking our tax money and distributing it to fringe groups and NGOs for distribution. We are already number three in the country for SNAP, we don't need to increase that number.
