

Submitter: Maurice Yoder
On Behalf Of: Stop making Oregon a magnet for illegals.
Committee: Senate Committee On Human Services
Measure, Appointment or Topic: SB611

Why are we trying to reward these invaders to live on our dime? They are here illegally and do not deserve our support these criminals. These people need to return to their home countries and come in the correct way. Not only do Democrats want to feed them, but they also want them to register to vote. Just stop this madness.
