To Whom it May Concern:

I, Elizabeth Gish, urge the Oregon State Legislature to pass House Bill 2141-1, establishing the Registered Commercial Interior Design Title Act to recognize, protect, and enhance the role of Commercial Interior Designers in Oregon.

Why This Matters

Oregon lacks legal recognition for Commercial Interior Designers, despite their critical role in designing safe, accessible, and code-compliant spaces.

HB 2141 will:

- ☒ Recognize the profession
- ☒ Ensure public safety & consumer protection
- ☒ Expand economic opportunities for women, small business owners, and independent practitioners.

HB 2141 does **NOT**:

- ☒ Change or limit the work of architects, engineers, or residential designers
- ☒ Expand scope or require mandatory registration
- ☒ Allow structural, seismic, or exterior work.

Thank you in advance for your consideration of this bill.

Sincerely,

Elizabeth Gish
