

Submitter: Jayne Simmons

On Behalf Of:

Committee: Senate Committee On Education

Measure, Appointment or Topic: SB749

I oppose SB 749.

Students do not have the life-skills to budget their own lives, much less a school.

Most adults can't budget either.

Not that the schoolboards are doing such a great job, but putting students in that roll would be a waste of time and taxpayer money.

Please oppose this money laundering scam.

Thank you,

Jayne Simmons
