On Behalf Of: Mr Oregon OPPOSES HB 3570
Committee: House Committee On Housing and Homelessness
Measure, Appointment or Topic: HB3570

I OPPOSE [HB 3570]. What is the Housing and Community Services Department's total indebtedness?

You finally figured out Oregon is in deep trouble concerning drinking water, wastewater and storm water infrastructure. Boohoo.

Why is it past time to play "catch-up" on water related issues? The Legislature is a cabal of losers.

****A moratorium of residential housing should be enacted. Pull in the welcome mat. Tell people not to come here. However, you will not do this because...the Legislature is just too stupid to figure out the solutions to Oregon's severe infrastructure requirements.

[HB 3570] is objectionable for many reasons. However, not all will be discussed.

**The 'open-ended' budget allocation torpedoes [HB 3570].

***Is Federal Funding for [HB 3570] a reality? Don't hold your breath.

However, the sun still shines and God is always good and just.

[HB 3570] is a welcomed change in primitive thought processes and 'baby-steps' forward to solve severe water related infrastructure issues.
