

Submitter:	Kami Soehl
On Behalf Of:	
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1153

SB 1153 ignores existing public review requirements currently required through OWRD's water rights transfer process. By adding more, superfluous layers of bureaucratic review, the bill would have a chilling effect on the efficient use of water throughout our state through the threat of litigation from activist third parties who desperately want this bill to pass.
