

Submitter: Cassandra Strauss

On Behalf Of:

Committee: House Committee On Commerce and Consumer Protection

Measure, Appointment or Topic: HB2141

I urge the Oregon State Legislature to pass HB-2141. This will provide protection, benefit, accountability, and transparency for the public, as well as helping to streamline the permitting process. It aligns interior designers with architects, landscape architects, and other built environment design professionals who are formally recognized and regulated by the State.
