On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB243

I strongly oppose this bill. This is over reaching and does nothing but hurt the regular law abiding citizen. Everything in this bill is being fought in court for being unconstitutional in multiple other states and being found unconstitutional. This is a waste of tax payers money for a witch hunt instead of actually prosecuting criminals the police do catch. I whole heartily oppose and disagree with this bill.
