

Submitter: Elaine Lavington

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB712

Raising taxes to do what? Adding more bureaucracy and getting nothing actually done. Building bridges that do not allow cars. The most stupid idea ever!

This tax will be an added burden on our seniors and young property owners.

Our seniors can't afford med's and food already.

Our Young Families are scrapping by.

This Bill IS NOT GOOD FOR OREGON.
