

Submitter: Terry Jones

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB243

Stop creating new laws that make honest citizens criminals. Enforce the laws on the books. Murder is already illegal. All gun crimes are already illegal. Keep criminals in jail. Get drug use under control. Address mental illness. Any legislator who votes for an unconstitutional bill should face legal consequences. You swore an oath to uphold the constitution. Stop selling out to special interests.
